

Talent Management Department

Deanship of Faculty and Personnel Affairs

Cybersecurity Awareness

Overview :

Elevate Your Digital Defense!

In today's hyper-connected world , cybersecurity is no longer an IT issue but a critical skill for every professional. This comprehensive course will equip you with the set of skills to excel in the cyber-world.

Program Outcomes:

1. Demystify Threats: Understand common attacks & emerging trends.
2. Fortify Defenses: Master best practices.
3. Think Strategically: Assess risks and align security with business goals.
4. Embrace Continuous Learning.
5. Become a Cyber Guardian.

Course Offered by

KFUPM

Target Audience

All Staff

Date

Tentative

Time

8:00AM-12:00PM

Presenter

Dr.Barakat Pravin

Dr. Barakat Pravin exhibits a profound expertise encompassing various facets of Computer Science and Engineering. With a Ph.D. from KFUPM and an extensive academic background at Alkhaleej Training Center he showcased his comprehensive knowledge in areas such as ITILv3/4, CompTIA Security Plus, data analysis with Excel and Power BI, network troubleshooting, and leadership skills.

His proficiency is not confined to academic spheres, as evidenced by his publications in esteemed journals on VANET routing protocols, reflecting a deep understanding of advanced technological concepts.
